

Presented to:	Governing Body - Public
Date of Meeting:	27 November 2018
For:	To Note

Agenda Reference:	GOV/18/11/20
Title:	Register of Interests
Executive summary:	
<p>NHS England guidance requires that the CCG has a public register of declarations of interests, which lists the interests of those employed staff who make decisions on behalf of the CCG, as well as individuals who are not CCG employees but who have a say on CCG decisions. This register must be refreshed on at least an annual basis.</p> <p>To ensure the Register is up to date, a monthly process has been established to capture declarations of interest from any new employees and refresh declarations with existing employees. Declarations are also requested at sub-committee meetings.</p> <p>Any declarations of interest are presented on the attached public register, which is published on the CCG website and updated as further declarations are received throughout the year. The Register is presented to the Governing Body three times a year and is proactively used by sub-committee Chairs to identify potential conflicts of interests prior to meetings.</p>
